Re: U.S. Reissue Patent Application
Title: **DELAY CIRCUIT AND METHOD**
Reissue of: U.S. Patent No. 5,936,451
Serial No.: 09/927,426
Filed: August 10, 2001
Your File No.: 95 L-024RE
(GI File No.: 1678-041)

Dear Mr. Phillips:

My name is Kevin Jablonski and I am a patent attorney with Graybeal Jackson in Bellevue, WA. I am writing to you with a request for signature of the enclosed document. As you may or may not know, this particular patent was opened for reissue so that we could have an opportunity to clarify the actual claims in the patent. We have successfully presented our position and now the final step in this reissue examination process is to submit a signed oath/declaration by the inventors detailing some information about the reasons why we chose to enter into the reissue examination in the first place.

As such, please sign the enclosed document in the appropriate places shown. Then, please fax/email a copy of the document as well as send the original to us at the address below.

Thank you for your cooperation. Please contact us if you have any questions regarding this matter.

Very truly yours,

GRAYBEAL JACKSON LLP

SUPPLEMENTAL REISSUE APPLICATION DECLARATION BY THE INVENTOR

As a below named inventor, I hereby declare:

My residence, post office address and citizenship are as stated below next to my name

I believe that I am the original, first and sole inventor (if only one name is listed below) or a joint inventor (if plural inventors are listed below) of the subject matter that is claimed in patent number 5,936,451 granted August 10, 1999, and for which a reissue patent is sought on the invention entitled:

DELAY CIRCUIT AND METHOD

the specification of which

- ☐ is attached hereto
- ☒ was filed on August 10, 2002 as reissue application number 09/927,426 and was amended on 05-05-2007 and 09-18-2008 (if applicable) If the filing date, amendment date, or reissue application number are not included when I execute this Declaration, I authorize the below appointed attorney(s) and/or agents(s) to insert the filing date, amendment date, or reissue application number when they become available

I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations, Section 1.56

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below (Check all that apply)

- ☐ by reason of a defective specification or drawing
- ☒ by reason of the patentee claiming less than he had the right to claim in the patent
- ☐ by reason of other errors

Errors upon which reissue is based are described as follows:

- The errors addressed in the Amendments as detailed in the Response to the Office Action of October 5, 2007 as filed on March 5, 2007. In specific, the Inventors coming to a better understanding of their invention and realizing that claims directed to different breadth may be realized
- The errors addressed in the Amendments as detailed in the Response to the Office Action as filed on September 18, 2008. In specific, the Inventors coming to a better understanding of their invention and realizing that claims directed to different breadth may be realized

All errors corrected in this reissue application arose without any deceptive intention on my part.

As a named inventor, I hereby appoint the following attorney(s) and/or agent(s) to prosecute this application and transact all business in the Patent and Trademark Office connected therewith: LISA K. JORGENSEN, Reg. No. 34,845; THEODORE E. GALANTHAY, Reg. No. 24,122; ROBERT D. MCCUTCHEON, Reg. No. 38,717; MARIO DONATO, Reg. No. 37,816; NAINESH SHAH, Reg. No. 40,166; and all attorneys associated with Customer Number 000996.

I do not know and do not believe that the claimed invention was ever known or used in the United States of America before my invention thereof.

I do not know and do not believe that the claimed invention was ever patented or described in any printed publication in any country before my invention thereof

I do not know and do not believe that the claimed invention was ever patented or made the subject of an inventor's certificate issued prior to the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns

I do not know and do not believe that the claimed invention was ever patented or described in any printed publication in any country more than one year prior to the filing date of the original U.S. application.

I do not know and do not believe that the claimed invention was ever in public use or on sale in the United States of America more than one year prior to the filing date of the original U.S. application.

I hereby claim the benefit of priority, under 35 U.S.C. § 119 and 35 U.S.C. § 120, of any foreign application(s) for patent or inventor's certificate on which priority was claimed in the above-identified issued patent

EXHIBIT F

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine and imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon, or any patent to which this declaration is directed
